**RE:** Child Care Services for Foster Children

The Child Care Services for Foster Children SSA-CW #21-06 policy is officially being examined to align with our new policy process and definitions. This memorandum provides the new updated rates that became effective on May 23, 2022, and the up-to-date public foster family charge code definitions. Please utilize the updated rate structure and charge code definitions to accompany Policy Directive 21-06.

**Update to SSA-CW #21-06 pages 5-6**  
**Public foster family childcare codes:**

The local department will fund the CCS with a dedicated pool of funds included in Ancillary Flex Funds. The local department should use the following charge codes:

- **2194** – For IV-E eligible children in kinship homes that are approved as regular or restricted foster care homes
- **7194** - For non-IV-E children in approved foster homes or in formal kinship care
- **7195** –For non-IV-E children and IV-E eligible children who are placed in non-approved homes (i.e., kinship homes that are not an approved resource or restricted foster care homes).

The local department may use of Super Flex Funds, if available, for childcare for foster children 6 through 12 years old for care during school hours if the care is provided while the child's school is closed to in-person classes during a Statewide emergency or for before and after school care. The authority to make this expenditure lies with the LDSS but the expenditures must be charged against the local department's allocation of Super Flex Funds. The local department should use the following charge codes for utilizing super flex funds for discretionary childcare services:

- **2132** – For IV-E eligible children in approved foster homes or in kinship homes that are approved as regular or restricted foster care homes
- **7132** – For non-IV-E eligible children in approved foster homes or in formal kinship care
- **7192** – For children who are involved in a CPS case.
- **7193** – For non-IV-E eligible children in non-approved foster or kinship homes

**PURPOSE:**

This Policy Directive provides guidelines for the eligibility and updated payments for child care services for children in public family foster care and formal kinship placements. Effective July 1, 2007, this program is funded out of a dedicated pool of funds as part of maintenance payments. This policy does not apply to private treatment foster care programs and independent living programs. This policy is revised due to an increase in the child care provider rates established by the Maryland State Department of Education (MSDE).

**FOSTER/FORMAL KINSHIP FAMILY CHILD CARE SERVICES:**

**DEFINITIONS**

**Child Care:**

Care in a setting that is approved, licensed, or license-exempt under Maryland law by an individual other than the parent, stepparent, guardian, or caregiver, for less than a 24-hour day and for which compensation is paid.

**Child Care Center:**

A facility providing child care that is:

- (a) Licensed pursuant to COMAR 13A.16;
- (b) Operated under a letter of compliance issued pursuant to COMAR 13A.17;
- (c) Licensed by any branch of the military under applicable military child care regulations;
- (d) Operated by a public school; or
- (e) Certified by the Department of Health as a youth camp as defined by Health-General Article Law §14-401, Annotated Code of Maryland.

**Child Care Scholarship (CCS) Program:**

Refers to the system of providing financial assistance for child care to an eligible family, under which the local department of social services pays to the provider all or part of the payment on behalf of the family.

**Family:**

- (a) "Family" means the family unit consisting of:
  - (i) One or more adults and children, related by blood, marriage, adoption, or legal guardianship, and residing in the same household; or
  - (ii) Adults with physical custody of a child, related or unrelated, who are residing in the same household.
- (b) "Family" includes unrelated adults with children in common who reside together, whether either has other children residing in the household.
- (c) "Family" does not include:
  - (i) Unrelated adults with no children in common residing together; or
  - (ii) Related adults, other than spouses, residing together.

**Family Child Care Home:**

- (a) “Family child care home” means a residence, other than the home of the child for whom CCS is requested, in which family child care is provided.
- (b) “Family child care home” includes a:
  - (i) Family child care home registered to operate pursuant to COMAR 13A.15 or applicable military child care regulations; or
  - (ii) Large family child care home registered to operate pursuant to COMAR 13A.18.

**Informal Child Care:**

Refers to child care that:

- (a) Does not require the child care providers to be licensed or regulated under Maryland law; and
- (b) Is limited to:
  - (i) Relative care;
  - (ii) In-home care; and
  - (iii) Babysitting

**In-Home Care:**

In-home care, as defined by COMAR 13A.14.06.02B(32), means care:

- (a) Provided to an applicant’s children in the applicant’s home by a nonrelative; and
- (b) Exempt from licensing if all children being cared for live in the residence in which care is provided.

**Formal Kinship Care:**

A living arrangement whereby continuous 24-hour care and supportive services are provided for a minor child placed by a local department of social services (LDSS) in the home of a kinship parent (a relative related by blood or marriage to the child within five degrees of consanguinity or affinity) or kinship caregiver (an individual who is related to the child beyond five degrees of consanguinity or affinity or is a close family friend of the child or the child’s family). See Family Law Art. §§ 5-501(e), 5-534.

**Provider:**

Refers to:

- (a) A family child care home;
- (b) A child care center; or
- (c) An individual approved by the local department of social services to provide informal child care.

**Reconsideration:**

The process of reapplying for the CCS, every six months, based on the date when the public foster family or kinship care family initially applied for CCS and the subsequent dates of reconsideration that are to follow in six-month intervals.

**Summer Break:**

The time between the end of one school year and the beginning of another, as defined by the jurisdiction's public school calendar.

**Training:**

Any type of formal instructional program, except for post-college graduate programs, which is approved by the local department, including undergraduate college, vocational program, or publicly funded training program designed to lead to employment.

**SERVICES OFFERED:**

Maryland's public foster care families and formal kinship parents and caregivers may request a CCS from their LDSS (the costs associated with child care services do not include the cost of placement). Formal kinship parents and kinship caregivers must first request child care through the current MSDE CCS process, and may receive child care assistance from the LDSS if determined to be ineligible for the Child Care Scholarship Program because the family's income is over scale. CCSs are limited to five (5) days per week. The caregiver must request this service at least fourteen (14) days in advance of enrolling the youth. The fourteen (14) day advance notice may be waived in cases where:

- (a) The placement is new; or
- (b) The placement is at risk for disruption.

The LDSS will make a determination of eligibility using the following criteria:

- (a) The child must be in the custody of a local department of social services of the Maryland Department of Human Services (DHS);
- (b) The child is receiving out-of-home placement services in a public foster family or with a formal kinship parent or kinship caregiver; and
- (c) The child's age ranges from infancy through five (5) years of age; or
- (d) The services are to be provided during a summer break on behalf of a child up until their 13<sup>th</sup> birthday.
- (e) School-aged children up to 13 years of age are eligible for before and/or after care services.

**CHILD ELIGIBILITY CRITERIA DURING STATE OF EMERGENCY:**

If the Governor declares a state of emergency that results in the extended closure of a child's school to in-person classes, the child may be eligible for a CCS if they are six through 12 years old and the services are to be provided during school hours. If the child's school offers online classes during school hours, it is expected that the child will attend those classes.

## **WHO IS ELIGIBLE:**

There is no income cutoff for CCS eligibility. The following individuals are eligible to receive the Foster Family Child Care Scholarship:

- Public restricted and unrestricted foster families receiving regular, intermediate, or treatment board rates. (This does not apply to private purchase of care families or private treatment foster care families);
- Kinship parents and kinship caregivers where the child is committed to the local department and placed in a home that has not gone through the foster home approval process;
- A single public foster parent, kinship parent, or kinship caregiver who is employed;
- Public foster families, kinship parents, or kinship caregivers where **both** parents are employed;
- A single public foster parent, kinship parent, or kinship caregiver who is participating in a school or training program;
- Public foster families, kinship parents, or kinship caregivers where both parents are participating in school or training programs or where one is employed and the other is in school or a training program; or
- An unemployed public foster parent, kinship parent, or kinship caregiver who cares for a medically or emotionally fragile foster child, if there is a written recommendation from a therapist, psychiatrist, psychologist, or physician that would indicate the need for child care services.

## **WHO CAN BE USED AS CHILD CARE PROVIDERS:**

A child care provider must be:

- An MSDE licensed, approved, or registered family child care provider, an informal child care provider as defined by this policy, or a child care center.

## **HOW TO APPLY**

A child cannot apply for child care services. The foster parent, kinship parent, or kinship caregiver must initiate the request for the Foster Family Child Care Scholarship for each child individually by filling out **Section 1** of the form attached to this policy (Attachment II), signing it, and returning it to the caseworker, who will submit it to his or her supervisor, who will then authorize payment. The child's caseworker will maintain a record of requests for CCS. Copies must be forwarded to the foster/kinship families' resource home worker within five (5) days of the request.

## **Public Foster Family Child Care Rates & Charge Codes**

This program is funded out of a dedicated pool of funds as part of Ancillary Flex Funds. The new charge codes for this dedicated pool are:

- **2194** – Foster Care Resource Home Support Day Care (IV-E eligible, including IV-E eligible children in Formal Kinship Care (i.e., the kinship homes are regular or restricted foster care homes).
- **7194** - Foster Care Resource Home Support Day Care (Non IV-E).
- **7195** – Kinship Care Resource Home Support Day Care (Non IV-E including IV-E eligible children placed in non-approved homes (i.e., the kinship homes are something other than a regular or restricted Foster Care home).

This Policy Directive allows for the continued use of Super Flex Funds for child care for foster children 6 through 12 years old for before and after school care. This Policy Directive also allows for the use of Super Flex Funds, if available, for child care for foster children 6 through 12 years old for care during school hours if the care is provided while the child's school is closed to in-person classes during a Statewide emergency. The authority to make this expenditure lies with the LDSS but the expenditures must be charged against the local department's allocation of Super Flex Funds. The charge codes for these discretionary Child Care services are the same as previously existed within the Super Flex Categories:

- **2132** – Discretionary Day Care – Foster Care (IV-E eligible, including IV-E eligible children in Formal Kinship Care (i.e., the kinship homes are regular or restricted Foster Care homes).
- **7132** – Discretionary Day Care – Foster Care (Non IV-E eligible).
- **7192** – CPS Day Care.
- **7193** – Discretionary Day Care – Kinship Care (Non IV-E eligible).

Payments to any of these Child Care category codes (xx94, xx95, xx32, xx92, xx93) should be made through the Child, Juvenile, and Adult Management System (CJAMS) Service Log.

Payments are to be made as follows:

1. Payments are to be made to the Child Care providers following utilization of services and after a monthly bill has been submitted that includes the number of days the child attended and missed during the month;
2. The worker must authorize the invoice and submit it to the local department finance office for processing;
3. All charges that exceed the MSDE payments standards shall be the financial responsibility of the public foster family;
4. A maximum of five (5) absences per month will be excused;
5. The LDSS will not pay for absences that exceed five (5) per month; and
6. The cost of placement should not be included in the cost of child care services.

**Rate of Payment and Cost Guideline:**

Rates are determined from MSDE regulations taking the weekly rate times 4.3 (the number of weeks in a month) and rounded to the nearest whole dollar. It is important to note that the rates will vary based on jurisdictions. As noted in COMAR (13A.14.06.11 A. 3), there are currently seven (7) CCS regions within the State (see Attachment I).

**Responsibilities of the LDSS**

- Keep accurate information regarding IV-E eligibility for each child requiring Child Care services.
- Keep records of all Child Care requests.
- Document usage on the contact notes in CJAMS
- Maintain current profiles of all informal Child Care providers.
- Conduct a reconsideration of all Child Care plans every six (6) months.
- Provide on-going reassessment of the individual child care programs to evaluate need and appropriateness.
- Maintain MSDE standards when approving all child care provider programs.

**Responsibility of DHS/Social Services Administration**

- Provide technical assistance to LDSSs in the tracking and monitoring of funds for Child Care services.
- Provide support, assistance and advocacy.
- Collect data to assess the effect of Child Care services on resource parent recruitment and retention outcomes.
- In collaboration with the Maryland Resource Parent Association, and the LDSSs, develop approaches to improving the utilization of Child Care services.

ATTACHMENT I

**Note: The attached child care rates reflect the amounts as of 08/01/19 to 11/22/20. The rates also reflect the increase in child care rates effective 11/23/20 to present.**

Rate Guidelines

A separate child care provider payment rate is established for each of the following seven purchases of child care service regions within the State:

- Region U – Cecil, Queen Anne’s, St. Mary’s, Talbot, and Washington counties;
- Region V – Caroline, Dorchester, Kent, Somerset, and Wicomico counties;
- Region W – Anne Arundel, Calvert, Carroll, Charles, and Prince George’s counties;
- Region X – Howard and Montgomery counties;
- Region Y – Baltimore, Frederick, and Harford counties;
- Region Z – Allegany, Garrett, and Worcester counties; and
- Region BC – Baltimore City

**Weekly Rate of Payment and Cost Guidelines – Family Child Care**

The amount paid to a family child care provider who cares for a child in the provider’s home is the lowest of the:

- (a) Regional weekly service unit rates established by this regulation;
- (b) Weekly rate charged to the general public by the provider if that rate is comparable and competitive with the going rate in the community; or
- (c) Actual cost of care.
